BIM 202 – S. Yamada  
Winter 2007

#### Comments

- Experimental examples were helpful.
- The professor is very approachable
- Midterms and assignments were fair.
- The professor is very willing to help students on their problems.
- Lectures were clear and concise.

#### Suggestions

- The book wasn't very helpful.
- There should be an introductory course before this.
- Homework and test wording could be clearer.
